"a brighter future for children with disabilities"

This workshop is designed for professionals and parents or caregivers of children in special education or that might need special education. Come and gain a working knowledge of special education laws, including your role in the development of an appropriate education program (IEP) and how to be an effective partner with the school team in the process.

- Eligibility
- Evaluations
- Time Lines
- IEP Development
- Related Services
- Preparing for an IEP Meeting
- Rights as a Parent
- How to use the STEP Parent Manual
