"a brighter future for children with disabilities"

This condensed workshop is designed for professionals and parents or caregivers of children in special education or that might need special education. Come and gain an overview of special education, including how to be an effective partner with the school team in the process.

Participants will:

- Review the four parts of IDEA
- Define a child with a disability
- Learn the six principles of IDEA

Reserve your seat today!

For over 30 years STEP, Inc. (Support and Training for Exceptional Parents) has provided FREE information, advocacy training, and support services to parents of children with disabilities (birth through age 26) that are eligible to receive special education services under the Individuals with Disabilities Education Act (IDEA).

In compliance with section 507 of the HHS Appropriations Act, this document is funded 100% with funds from a Federal Grant from the U.S. Dept. of Education.
