Dear leaders in family involvement,

EIFA is a critical network of families and professionals from across our nation who are dedicated to fostering meaningful family involvement in the development, implementation and evaluation of policies that impact Part C at the community, state and federal levels. Therefore, we are writing to invite you to become a member of EIFA, and through this membership, provide you the following benefits:

- **Keep informed**—stay on top of emerging issues, trends and key developments in the Part C EI program.
- **Obtain Answers**—Tap into a national network to find the information you need to answer your questions about EI practices, policy development/implementation and family involvement.
- **Impact Policies**—Advance policies that incorporate and reflect the perspectives and experiences of families of children with disabilities.
- **Raise the quality of EI programs**—As a member you can promote & provide input into the development of position statements on issues such as family support, funding, access to services, eligibility, transition, etc.
- **Increase family involvement**—This is the foundation of the Part C EI program. EI Family Alliance champions the participation of families as valued and respected members at all levels of the EI program.
- **National Network**—learn more about issues that impact families and their young children with disabilities. Discover how you can become part of providing the strong voice on behalf of effective EI policies and practices.
