A major area of emphasis of the State Personnel Development Grant is the work being done with general education teachers using various techniques and tools to effectively reach ALL learners. Today's classrooms are more inclusive and diverse than ever. Information from this webinar series will enhance teachers' skills to be responsive to the learning styles and needs of students with and without disabilities in the classroom and provide parents with practical tools to use to give effective input to teachers that will help their child be successful.

Join us for the "live" kick off webinar Tuesday, September 5th

11:30 am - 12:30 pm Central / 12:30 pm - 1:30 pm Eastern

Register at: <https://attendee.gotowebinar.com/register/7388529407554640386>

Please share this learning opportunity with families and others!
